Verizon Internet Security Suite

Guard your files and family.

With one easy download and installation, you can protect your PC, your personal information and your children from a wide array of known online threats. Automated updates every three hours shield you from the latest dangers, 24/7. Verizon's Internet Security Suite includes Anti-Virus, Firewalls, Parental Controls, Anti-Spyware, Pop-Up/Ad Blocker and Online Privacy Manager — all for just \$4.99 per month.

Subscribing to Verizon Internet Security Suite and Online Backup & Sharing entitles you to a 20% discount.

For details, visit verizon.net/viss.

Internet access services and charges not included. New orders receive first 30 days at no charge.

FREE 5GB
offer for 30 days

Verizon Online Backup & Sharing

Protect and share your work and memories in two ways.

Online Backup

- Don't wait for your hard drive to fail. Protect your files by having them automatically backed up to your online data vault
- Simple interface is quick and easy to use
- One subscription covers multiple computers. Each computer can have its own backup selection

Online Sharing

- Share photos, personal videos, music and work documents easily — without the problems associated with large e-mail attachments
- Use a Web site to copy files and folders to your online vault
- Gain private access to your backup and shared files from any Internet connected PC

Verizon Online Backup & Sharing starts at just \$1.99 per month for 1GB of online space. Receive a 20% discount when bundled with Verizon Internet Security Suite.

For details, visit verizon.net/newfiosvault.

Internet access services and charges not included. Verizon does not warrant that the service will be provided error-free, uninterrupted, secure, or virus-free. Other terms and restrictions apply.
